

Sixth Annual Conference of the Hawaii Neurological Society
Trends in Neurological Medicine
Saturday, October 3, 2015

REGISTRATION CARD

Please print clearly. All fields are required

Full Name: _____
Institution: _____
Degree(s): _____
Address: _____
Phone: _____
Fax: _____
E-mail: _____

PHYSICIANS

- Neurologist
- Neurosurgeon
- Primary Care
- Emergency Medicine
- Resident
- Fellow

NON-PHYSICIANS

- Nurse
- Nurse Practitioner
- Physician Assistant
- Student

Other (please specify): _____

Registration Fees:

Please check the appropriate registration fee.

Hawaii Neurological Society Members

Free (included in membership dues)

“Non-Member” Physicians (Discount Rate)

- Registration - \$50 half day (\$25)
- Registration - \$100 full day with lunch (\$50)

Non-Physicians (Discount Rate)

- Registration - \$25 half day (\$20)
- Registration - \$50 full day with lunch (\$40)

Students, Residents, Fellows:

Free if volunteer to help with registration table

REGISTER BY SEPTEMBER 1, 2015 AND RECEIVE A DISCOUNT RATE :

<https://squareup.com/market/hawaii-neurological-society>

The discount rate also applies to participants associated with a variety of local hospitals and professional societies. Please email Dr. Shu at huidys@yahoo.com if you have questions about this rate.

Please make checks payable to Hawaii Neurological Society and mail or fax registration cards to:

Sixth Annual Scientific Conference
of the Hawaii Neurological Society
**Trends in
Neurological Medicine**

October 3, 2015
Queen's Conference Center
510 S. Beretania Street
Honolulu HI 96813

8:00 am – 8:30 am Registration and Exhibits

8:30 am – 8:45 am Welcome and Opening Remarks

Peter Rossi, MD, FAAN
President, Hawaii Neurological Society

8:45 am – 9:45 am The Emerging Science of Alzheimer's Diagnosis and Therapy

Marwan N. Sabbagh, MD, FAAN
Director, Banner Sun Health Research Institute
Research Professor of Neurology
University of Arizona College of Medicine- Phoenix

- ❖ Explain the efficacy and safety features of current AD agents and develop treatment plans that optimize patient outcomes
- ❖ Describe the changes being made in the assessment of AD and integrate appropriate tools and biomarkers into the diagnosis and treatment of AD
- ❖ Analyze the emerging data on the efficacy and safety of agents in development for AD

9:45 am – 10:45 am Update and Advances in Epilepsy Management

John Hixson, MD
Associate Professor of Clinical Neurology
University of California, San Francisco

- ❖ Explain the efficacy and safety features of current anticonvulsant agents and develop treatment plans that optimize seizure control
- ❖ Incorporate improved patient counseling and adverse-event management measures to improve patient quality of life
- ❖ Improve the rate and timeliness of appropriate referral of epilepsy patients for specialty management

10:45 am – 11:00 am Break and Exhibits

11:00 am – 12:00 pm Updating and Advancing the Management of DMD Therapy in Multiple Sclerosis

James Bowen, MD
Medical Director, Multiple Sclerosis Center
Swedish Neuroscience Center

- ❖ Employ newer MRI measures to improve diagnosis and DMD therapy initiation earlier in the course of MS
- ❖ Analyze the mechanisms of action and efficacy and safety profiles of current and emerging DMD therapies to develop individualized MS therapies that optimize adherence and improve patient outcomes
- ❖ Incorporate evidence from recent diagnostic and prognostic biomarker studies to improve monitoring of disease activity and response to DMD therapy in MS

12:00 pm – 1:00 pm Lunch and Exhibits

1:00 pm – 2:00 pm Migraine Update: Current Concepts and Emerging Therapies

Laura C. Miller, MD
Staff Neurologist
Pali Momi Medical Center

- ❖ Explain the difference between episodic and chronic migraine and recognize risk factors for chronification
- ❖ Discuss the diagnosis and management of medication overuse headache
- ❖ Describe the appropriate use of existing and forthcoming therapeutic options for migraine prevention and abortive treatment

2:00 pm – 3:00 pm The Rise of the Phoenix: The Evolution of Mechanical Thrombectomy for Ischemic Stroke

Sung Bae Lee, MD.
Assistant Clinical Professor of Medicine
John A. Burns School of Medicine

- ❖ Review evolution of mechanical thrombectomy and reasons for past negative trials results
- ❖ Review the recent Level I Grade A evidence for mechanical thrombectomy
- ❖ Share practical guidelines for determining which stroke patients would most benefit from mechanical thrombectomy

3:00 pm – 3:15 pm Break and Exhibits

3:15 pm – 4:15 pm Brain Abnormalities and Co-Morbid Neurological Disorders in Methamphetamine Users

Linda Chang, MD, FAAN
Professor of Medicine
John A. Burns School of Medicine

- ❖ Learn about brain structural alterations in methamphetamine users across the age span
- ❖ Learn about neurocognitive consequences of methamphetamine use disorders
- ❖ Learn about the common co-morbid illnesses that may lead to neurological disorders

Conference Overview

This one-day conference will update neurologists, primary care physicians, emergency medicine physicians, and associated healthcare providers on current hot-topics in neurology with the purpose of enhancing patient care.

Target Audience

- Neurologists
- Primary Care Physicians
- Emergency Medicine Physicians
- Other Physicians
- Residents and Fellows
- Medical Students
- Nurses/ Nurse Practitioners
- Physician Assistants

Accreditation

The Potomac Center for Medical Education (PCME) designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The morning activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the PCME and Rockpointe. The PCME is accredited by the ACCME to provide continuing medical education for physicians.

The Hawaii Consortium for Continuing Medical Education (HCCME) designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The afternoon activity has been planned and implemented in accordance with the Essential Areas and policies of the ACCME through the joint sponsorship of HCCME and Hawaii Neurological Society. The HCCME is accredited by the ACCME to provide continuing medical education for physicians.
