2018 Scientific Conference of the Hawaii Neurological Society Trends in Neurological Medicine

Oct 6, 2018
Aloha Marketplace
1 Aloha Tower Drive Ground Floor
Multipurpose Rooms 2 and 3
Honolulu, Hawai'i 96813-1432

Conference Overview

This one day conference will update neurologists, primary care physicians, emergency medicine physicians, and associated healthcare providers on current hot-topics in neurology. Each interactive session will present current, evidence-based data relating to the diagnosis and management of commonly encountered neurological disorders and will give providers an opportunity to share knowledge and experiences with the purpose of enhancing patient care.

Target Audience

- Neurologists
- Neurosurgeons
- Psychiatrists
- Primary Care Physicians
- Pediatricians
- Emergency Medicine Physicians
- Residents and Fellows
- Medical Students
- Nurses
- Nurse Practitioners
- Physician Assistants

Accreditation

The Hawaii Consortium for Continuing Medical Education designates this live activity for a maximum of 3.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Hawaii Consortium for Continued Medical Education and Hawaii Neurological Society. The HCCME is accredited by the ACCME to provide continuing medical education for physicians.

8:00 am – 8:45 am Registration and Exhibits

8:45 am – 9:00 am Welcome and Opening Remarks

*Michael Russo, MD
President, Hawaii Neurological Society
Medical Director, Honolulu Neuroscience Clinic*

9:00 am – 9:45 am Cannabinoids in the Treatment of Epilepsy

*Alan G. Stein, MD.,
Assistant Clinical Professor Medicine (Neurology)
John A. Burns School of Medicine*

- ❖ Practitioners will be able to discuss appropriate use of cannabidiol (CBD) with patients
- ❖ Practitioners will be able to discuss potential media bias about CBD with epilepsy patients

9:45 am – 10:30 am Major Advances in Stroke Treatment and Risk Factor Modification in 2018

*Matthew A. Koenig, MD.
Associate Professor Medicine (Neurology)
John A. Burns School of Medicine*

- ❖ Practitioners will be able to choose among current treatment options for thrombolysis in acute stroke
- ❖ Practitioners will be able to integrate telemedicine and stroke systems of care into current practice

10:30 am – 10:45 am Break and Exhibits

10:45 am – 11:30 am Blocking CGRP: A new paradigm for migraine treatment

*Laura C. Miller, MD.
The Queen's Medical Center*

- ❖ Practitioners will be able to discuss emerging treatments for migraine management
- ❖ Practitioners will be able to select patients who can benefit from anti-CGRP treatments

11:30 am – 12:15 pm Clinical Aspects of Neuroangiostrongyliasis in Hawaii

*Vernon Ansdell MD
Associate Clinical Professor
Department of Tropical Medicine, Clinical Microbiology
and Pharmacology
John A Burns School of Medicine*

- ❖ Practitioners will be able to recognize potential cases of Neuroangiostrongyliasis early in the course of the disease in order to perform appropriate diagnostic and therapeutic interventions

12:15 pm – 1:00 pm Lunch and Exhibits

1:00 pm – 4:00 pm WORKSHOPS – Optional industry sponsored workshops (no CME credit)

Botox for the Treatment of Chronic Intractable Migraine

Presented by Allergan

Vagus Nerve Stimulation for the treatment of Migraine

Presented by Electrocorp

Implanted Neural Stimulators

Presented by Medtronic
